# MAFINEX

The MAFINEX technology center is offering tech-oriented Startups the best possible starting position for their first years.

The building located within the Mannheimer area Lindenhof was built in 2008 and has been a founding and event platform for various occasions ever since.

It is an ideal campus for communication and synergies, with the best technical infrastructure. Furthermore, it is actively promoted by the community managers, who are organizing networking events and establishing connections to corporates and investors.

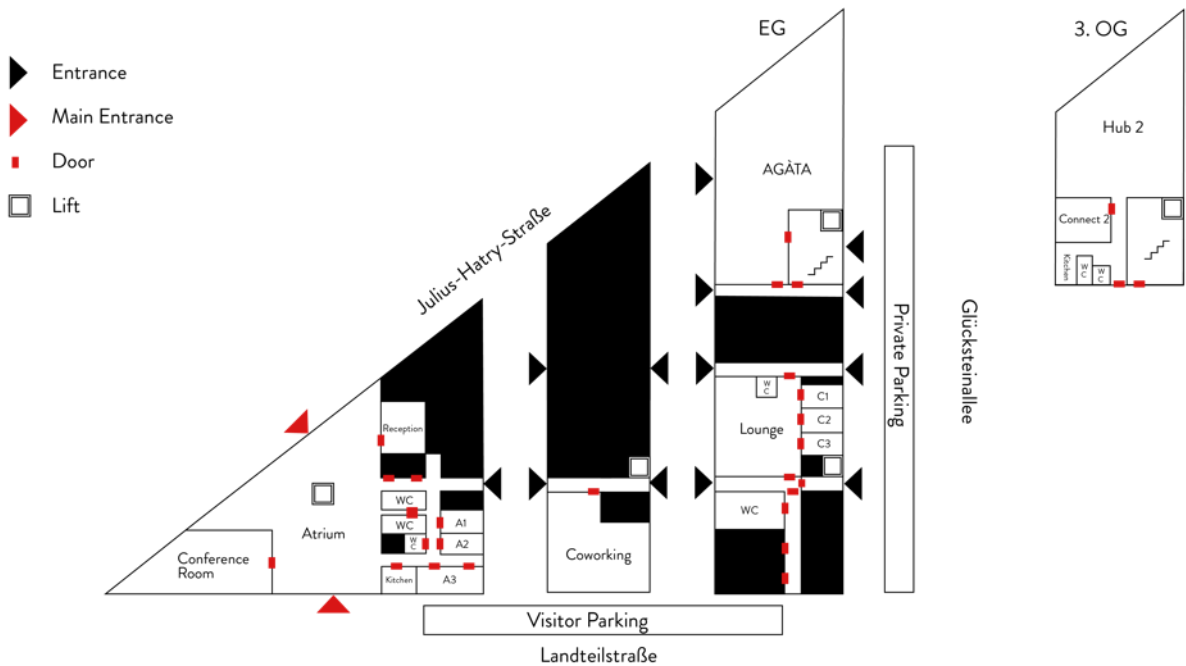

Hackathons, summits, international conferences, and accelerator programs are just some of the many small and big events which take place here. Therefore, the MAFINEX is clearly a networking hotspot for all tech related topics.

On a space of 8900m<sup>2</sup> you can find about 60 Startups with more than 600 employees.

This ideal infrastructure involving flexible and modern office, meeting, and event spaces plus target specific networking and consulting possibilities make for a strong community and an inspiring ecosystem for tech and IT entrepreneurs.

**The MAFINEX Technology Centre is more than just a startup center for the IT Industry. It is also a campus for communication and synergies.**

# BOOKING

## Booking Process

Please send your booking request via Mail to [events@mafinex.de](mailto:events@mafinex.de).

After we got your request, we will send you our booking form. At the same time we are going to reserve the rooms for 14 days for you. If we didn't receive a confirmed booking by the end of that time, we will automatically delete the booking.

Please note that you need to completely fill in the booking form for us so we can send you an adequate offer. The offer is max. two weeks valid (depending on how short notice your request is). After you sign the offer and send it back to us you receive a booking confirmation from us.

Within 14 days after your event you will receive the invoice. Unfortunately, it is not possible to change the invoice recipient after the whole booking process started. Therefore it is really important, that you send us the correct details right from the beginning.

## Cancellation Policy

If events are cancelled for reasons that are not within our responsibility and are not cancelled in written (mail to [events@mafinex.de](mailto:events@mafinex.de)) any earlier than a week before the event the customer needs to pay 100% of the booking charges.

If the cancellation is at least 14 days before the event (up to one week till the event) the customer needs to pay 50% of the charges. For any cancellations earlier than that there will be no charges at all.

# CATERING

As we do not offer any Catering-Service ourselves, you can choose any caterer you like. We have included some recommendations of caterers who we have worked with before and who provide sustainable catering.

It is in general not allowed to eat in any of the meeting rooms. If you have any questions, please feel free to ask us.

# Getting There

**Coming from Heidelberg (A656):** Drive by the Mannheimer highway intersection to the A6 and stay right on the next upcoming intersection by the SAP arena (don't take the exit towards Neuostheim!). Drive into the direction of Ludwigshafen (B37/B28a; exit SAP arena). After driving onto the B38a take the first right towards Ludwigshafen (B37, the railway tracks will be on your left side, Ludwigshafener Str.). Drive through the tunnel and take the first left afterwards towards Neckarau (John-Deere-Straße). The MAFINEX Technology Centre will be on your right. The easiest way is if you follow the signs towards John Deere as it is right next to our center.

Take line 3 from the central station towards Lindenhof (final station is Rheingoldhalle). Get off the train at "Dieserwegschule", from there it is a 5 min. walk.

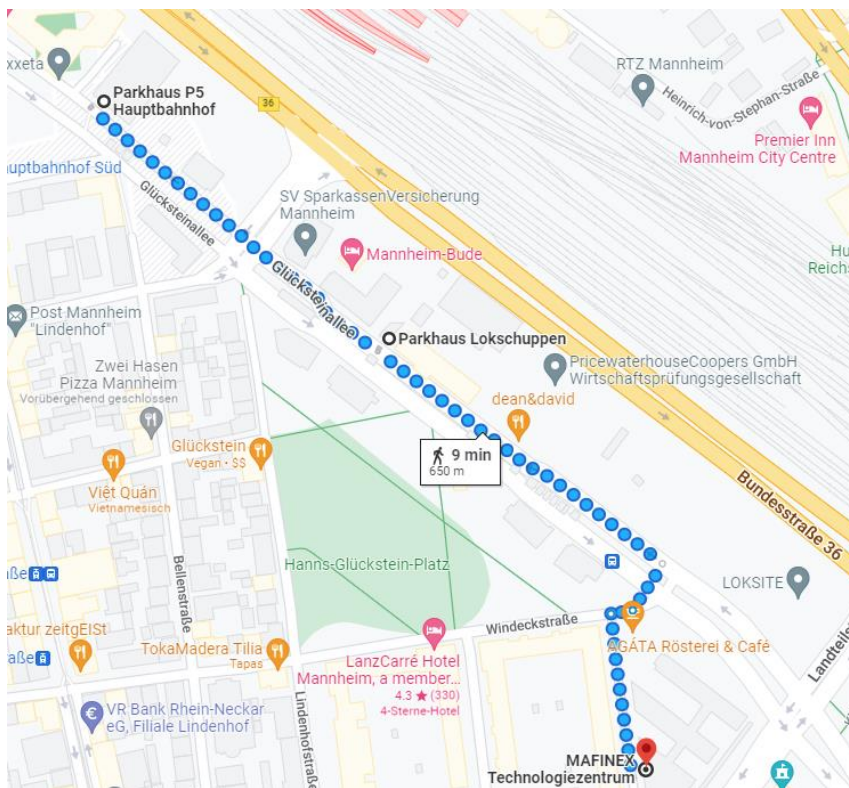

From the central station it is just a 10-15 min. walk to the MAFINEX Technology Centre. Leave the station towards Lindenhof and then turn left. Just follow down the road and you will get to the center after about 10 min.

# PARKING

There are 10 free visitor parking spots next to the building for you and your guests. Please make sure you are not parking on the fire brigade access or the handicapped parking spots right next to them.

As we don't have enough parking space for bigger events, please inform your guests to either travel with public transport or to make sure they have enough time to find a parking spot within the area. There is also a big car park near by, you can find the information attached.

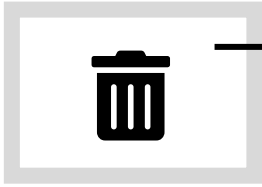

Good possibilities to park are the car parks **Lockschuppen** or **P5**, which are both just a few walking minutes away.
